Windsong at Manly

The very best of care

Windsong at Manly is a stunning new 82 bed Extra Service aged care facility. Windsong offers excellent clinical care and a choice of low care, high care, secure dementia care and respite beds.

This elegant facility features stylish interiors and light-filled living spaces. There is a choice of beautifully appointed spacious rooms, each with ensuite. Our own chef will prepare a variety of delicious, nutritious meals daily and a selection of wines with dinner. A private dining room can also be booked for family gatherings and celebrations.

To compliment resident care, a range of leisure and recreation activities are available. Activities include music, craft, trivia, movies and regular bus trips. Windsong also provides a hairdressing and beauty salon – the perfect place to be pampered.

Our residents enjoy beautifully landscaped gardens, a BBQ area and courtyards providing relaxing, secure outdoor areas. Ample underground parking for visitors, proximity to transport, shops, churches, community facilities and parks makes Windsong at Manly the ideal choice.
