# Winston House Nursing Home and Lorna William

Located in Sydney's leafy suburb of Croydon, Winston House provides specialist dementia care in a secure, high care environment. Our aim is to provide for the physical, social and emotional needs of our residents in a warm, supportive environment.

Our trained staff provide excellent 24 hour nursing care and accommodation for 40 residents in both our frail aged wing and our secure dementia unit. All rooms are comfortably furnished and common areas are provided for residents and their visitors.

Our elegant Extra Service wing, 'Lorna William', accommodates 12 residents in spacious, secure surroundings.

Residents enjoy delicious, nutritious meals prepared fresh daily by our catering staff. A stylish private dining room is available for celebrations and family gatherings. Beautifully landscaped gardens and outdoor areas provide space for residents and their guests to relax and wander safely. Our recreation staff provide a range of activities including music, exercise, trivia, craft, birthday celebrations and regular outings.
