# Elizabeth Lodge at Willoughby

Elizabeth Lodge has a reputation for being the premier Extra Service aged care facility on Sydney's North Shore, renowned for caring, friendly staff. The building is the ultimate in comfort and design, luxuriously furnished in an art deco theme, with landscaped gardens where residents and guests can stroll in safety and privacy.

Chevron Wing offers boutique luxury with impeccable attention to detail. Framed by beautiful jacaranda trees, Chevron features 15 high care deluxe single suites – each with kitchenette where residents and their guests can chat and share a cup of tea as they would in the privacy of their own home.

Camellia Wing is a 16 bed secure dementia unit with single and twin accommodation, most with ensuite. Camellia Wing has a separate, secure dementia courtyard with access walkways through which residents can wander safely in the specially designed activity garden.

Residents enjoy delicious, nutritious meals prepared daily by our resident chef, home baked morning teas and wine with dinner, fresh flowers and newspapers. Leisure and recreation activities include music appreciation, films, trivia, bus trips, craft, and guest performers. With its own hairdressing and beauty salon, Elizabeth Lodge is the perfect place to be pampered.

The Cook Care Group is an Australian owned, family company which has been operating for nearly 30 years.
