Sir James & Seabreeze at Dalmeny

That something special...

With stunning ocean views, landscaped gardens and bright, stylish interiors, Sir James at Dalmeny provides a choice of excellent nursing care for 115 residents in a friendly, relaxed environment. All rooms are well appointed, light and bright with garden or ocean views.

Sir James offers accommodation to suit all budgets. Seabreeze is a new 36 bed luxury wing. The spacious, air-conditioned rooms with luxurious interiors, are ideal for those who want to spoil themselves. Seabreeze residents enjoy stunning ocean views, fresh air and the opportunity to whale watch from the stunning living room. Regular bus outings also feature on the activity program.

Sir James provides beautiful dining rooms, spacious activity areas, quiet sitting rooms, courtyards and a private dining room for family functions. Our kitchen provides delicious, nutritious meals with a menu that changes regularly and allows for choice and specific dietary requirements. Residents and their visitors can even enjoy a real cappuccino at our weekly coffee morning.

A range of leisure activities are available. Activities include music, craft, Tai-Chi, gardening, trivia, walks to the beach or the local cafe with volunteers, and regular special events such as St Patrick's Day, Melbourne Cup, and great bus trips.
